

CURSILLO COMMISSION

Episcopal Diocese of Central Florida

The Cursillo Commission consists of twelve (12) elected lay men and women and three (3) clergy. Additional individuals volunteer for our Servant Community.

Each December new members are elected to the Cursillo Commission. Nominations are made at the November monthly meeting.

Newly elected members begin their terms in January. Terms are staggered so we normally elect four (4) new Commission lay members each year. We try to have adequate representation from all five deaneries. However, the policy of the Commission is that no more than one lay person from any parish may serve on the Commission in any one year.

We invite you to nominate an enthusiastic Cursillista. Please secure that individual's consent to be nominated before you nominate him/her. Nominees must currently be grouping and attending Ultreyas. **Please stress to the nominee the following criteria. They must be willing to:**

- Commit to a term of **three years of service**;
- Be **faithful in attending Commission meetings** on the third Saturday of each month at the Diocesan House, near downtown Orlando, from 9:30 a.m. - 12:30
- **Serve on one of our standing committees** (Weekend Prep, Three Day, Fourth Day, Communications)
- and volunteer time and energy to facilitate the work of that committee;
- **Attend a Cursillo Leaders' Workshop** in our region within the first year of election (Commission pays the registration fee)
- **Attend on a regular basis** the Fourth Day Forever, Diocesan Ultreyas, and any other diocesan wide Cursillo event such as serenades and Clausuras;
- Be enthusiastic about Cursillo and inform others about the Cursillo movement.

Any information you can provide us regarding potential nominees will be greatly appreciated. Please use the attached form; be as specific and complete as possible.

Thank you for your continued interest and support.
